

List of MCA Archived Webinars

Date	Presenter	Webinar Subject	URL for Viewing Webinar Recording
26-Apr-19	Presented By Patricia F. Sharkey, MCA Policy Director	What Do 100% Renewable Energy Bills Mean for WHP and CHP?	https://cogeneration.org/wp-content/uploads/2019/05/MCA-Teleconference-Impact-of-100-Renewable-Bills-2.pdf
21-Mar-19	Presented By Geoff Selvin, Director of Business Development, FuelCell Energy	Fuel Cells: A CHP Solution for Campuses, Microgrids, and Utilities	https://attendee.gotowebinar.com/register/15174757280009729
21-Feb-19	Presented By Michael Archey, President, GTM Strategies	Renewable Fuel Standard (RFS), RINs (Renewable Identification Numbers) and Midwest CHP	https://attendee.gotowebinar.com/register/7610256934201036546
20-Dec-18	Presented By Andy Ungerman, Senior Mechanical Engineer, Stanley Consultants	Installing Reciprocating Engines for CHP/Cogeneration: What you can expect (and what goes bump in the night)	https://attendee.gotowebinar.com/register/8911994037190893569
15-Nov-18	Presented By Graeme Miller, Assistant Director, US DOE Midwest Combined Heat and Power Technical Assistance Partnership	Available CHP Incentives in the Midwest	https://attendee.gotowebinar.com/register/6250803163395505667
18-Oct-18	Presented By Andrew Downing, Proposals Manager, Small Steam product Siemens Energy Co-Presented By Gus Nick, Mechanical Engineer, Outside Sales, Somes-Nick & Company	Why Pressure Reducing Valves (PRV's) Are Costing You Money	https://attendee.gotowebinar.com/register/5400580507678035971
17-May-18	Hosted By Marc Rost, Sales Manager, Johnson Matthey	Exhaust Emissions, Part 2 - After-treatment Solutions	https://attendee.gotowebinar.com/register/6531952680485630465
19-Apr-18	Hosted By Bernie Paul, President, B Paul Consulting, LLC	Exhaust Emissions, Part 1 - Permitting and Regulatory Strategies	https://attendee.gotowebinar.com/register/7405505871863467778
15-Mar-18	Presented by Chris Cummings, Caterpillar	Optimizing Economics of Distributed Generation: Trade-offs Between Capital and Operating Cost in System Design	https://attendee.gotowebinar.com/register/2842796497970301953
15-Feb-18	Hosted By Todd Forrest, Burns & McDonell	Reciprocating Engine or Combustion Turbine?	https://attendee.gotowebinar.com/register/370485229661061378
18-Jan-18	Presented by David Martindale, Ballard Engineering Company	Generation Operating Strategies in Real Time Electric Price Markets	https://attendee.gotowebinar.com/register/460328521733929473
21-Dec-17	Presented by Patricia Sharkey Midwest Cogeneration Association, Graeme Miller, Energy Resources Center, Jamie Scripps, 5 Lakes Energy	MCA's Midwest Initiative on Standby Rates and the Impact on Cogeneration	https://attendee.gotowebinar.com/register/6401125086537864193
